Twilight is stealing o'er hill and sea
Vesper bells pealing call us to thee
Lowly confessing trespass and shame
Bravely expressing faith in thy name

Low at thy mercy's seat
Father thy children meet
Craving thy guidance sweet
Call to thee

Call us to thee
O'er hill and sea
Call us to thee

Twilight is stealing o'er hill and sea
Vesper bells pealing call us to thee
Lowly confessing trespass and shame
Bravely expressing faith in thy name

Praising with one accord
Hearing thy holy word
Here let thy service Lord
Call to thee

Call us to thee
O'er hill and sea
Call us to thee
Call us to thee
Call us to thee
Call us
Call
Call us to thee

O'er hill and sea
Call us to Thee
