"Abide With Me"

Abide with me; fast falls the eventide;
The darkness deepens; Lord with me abide.
When other helpers fail and comforts flee,
Help of the helpless, O abide with me.

I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?

I triumph still, if Thou abide with me.

Hold Thou Thy cross before my closing eyes;
Shine through the gloom and point me to the skies.
Heaven's morning breaks, and earth's vain shadows
flee;
In life, in death, O Lord, abide with me.

In life, in death, O Lord, abide with me.
