Do you know me, Who I am I am always with you I am near you every day Always share what you do.

Follow the path to anywhere A stranger in the world without you Forever I will be there The shadow you always knew.

If you think I've gone away And I'm never with you I am not so far away Always shadowing you.

Follow the path to anywhere A stranger in the world without you Forever I will be there The shadow you always knew.

Beati quorum via, integra est Beati quorum via, integra est

Do you know me, who I am I am always with you I am not so far away Always shadowing you Always shadowing you
