Do not stand at my grave and weep  
I am not there, I do not sleep  
I am a thousand winds that blow  
I am the diamond glint on snow  
I am the sunlight on ripened grain  
I am the gentle, gentle autumn rain

Do not stand at my grave and weep  
I am not there, I do not sleep  
When you awake in the morning hush  
I am the swift uplifting rush  
Of quiet birds in circling flight  
I am the soft, soft starlight, starlight at night

Do not stand at my grave and weep  
I am not there, I do not sleep
