"Eternal Light"

Thoughts of love surround you
Everywhere around you
May your heart discover
All the magic and the wonder.

Inside every moment
Deeper than the ocean
I just want to show you
All the beauty and the glory.

In this clear eternal light
This miracle of light
You will never lose your way
Because the eternal light will find you
and guide you.

Life is but a journey
Tides are always turning
Seasons come and go here
But you'll never be alone here.

In this clear eternal light
This miracle of light
You will never lose your way
Because the eternal light will find you

And guide you every day.

Ahhh Ahhh Ahhh....

There are times of long and sleepless nights
But I will bring you peace and hope
shining like a rainbow.

In this clear eternal light
This miracle of light
You will never lose your way.
This eternal light will find you
To shine its guiding light on you.

In this clear eternal light
This miracle of light

You will never lose your way
This eternal light will find you
And guide you in all life.

Ahhh Ahhh Ahhh...
