In dulci jubilo
Now sing with hearts aglow
Our delight and pleasure
Lies in preasepio
Like sunshine is our treasure
Patris in gremio
Alpha es et O
Alpha es et O

O Jesu parvule
To the I sing always
Comfort my heart's blindness
O puer optime
With all thy loving kindness
O princeps gloriae
Trahe me post te
Trahe me post te

O patris caritas
O ___ lenitas
Deeply were we stained
Per nostra criminal
But thou for us hast gaines
Coelorum gaudia
Oh that we were there
Oh that we were there

Obusint gaudia
In any place but there
There are angels singing
Inova cantica
And there the bells are ringing
In regis curia
Oh that we were there
Oh that we were there

Oh that we were there
Oh that we were there
