"Song Of Life"

There's a whisper in the dark
As a new life comes to be
Then a song begins to form
As it finds the harmony
With a chorus of sound
Of the world all around
Now it blends in the tune
Joining the endless song of life

We shall never be alone
As we link our hearts in one
Joining voices from above
All in the miracle of life
Through the ages we will grow
Only time will ever know
As our voices magnify
All in the miracle of life

Love plays along
In our lives yet to come
As we join the song of life

Now the music starts to build
As the words begin to rhyme
Then another lends a tune
As their voices now combine
With the chorus of sound
Of the world all around
Now they blend in their tune
Sharing the endless song of life

We shall never be alone
As we link our hearts in one
Joining voices from above
All in the miracle of life
Through the ages we will grow
Only time will ever know
As our voices magnify
All in the miracle of life

Love plays along

In our lives yet to come
As we join in the song of life
As we join in the song of life.
