I am the hours  
And moments of your yesterday  
I am your time gone by  
O'er days and ages fleeting,  
Long since passed away  
As endless years roll by.

I'll rise in the spark of life  
The dawn of all time.  
I'll call to the world still yet to be.  
The music is everywhere,  
In life, in the sea and air  
To join in the perfect song of all eternity.

I am the hours,  
The days and moments yet to come  
Until the end of time  
All the centuries and  
Seasons that are still to run  
As endless years roll by.

I'll rise in the spark of life  
The dawn of all time  
I'll call to the world still yet to be  
The music is everywhere  
In life, in the sea and air  
To join in the perfect song of all eternity.

The noon of creation rings  
And all in the heavens sing  
The glorious song through all eternity.

I am the dawn of all time.
