Twilight is stealing o'er hill and sea  
Vesper bells pealing call us to thee  
Lowly confessing trespass and shame  
Bravely expressing faith in thy name

Low at thy mercy's seat  
Father thy children meet  
Craving thy guidance sweet  
Call to thee

Call us to thee  
O'er hill and sea  
Call us to thee

Twilight is stealing o'er hill and sea  
Vesper bells pealing call us to thee  
Lowly confessing trespass and shame  
Bravely expressing faith in thy name

Praising with one accord  
Hearing thy holy word  
Here let thy service Lord  
Call to thee

Call us to thee  
O'er hill and sea  
Call us to thee  
Call us to thee  
Call us to thee  
Call us  
Call  
Call us to thee

O'er hill and sea  
Call us to Thee
