The first news was there's Americans on the shore  
Maybe maybe maybe now we're all going to war  
Maybe maybe maybe they'll be screaming out for more  
Maybe maybe maybe they'll be running for the door  
Got the tickets and a dirty nose  
No one wants to help but everybody knows  
Start with babyshambles and your friends will come to  
blows  
And babyshambled when you're timid at the shows  
You don't need no one  
You don't need no one who feels the same old way  
Its a shame, we were just getting comfy  
We don't need no war  
First news was there's Americans on the shore,  
Arabs on the beach and lovers on the floor  
Maybe maybe maybe we are all going to war  
Maybe maybe maybe ....
