There's a campaign of hate  
It's waiting at the school gates  
Not for what I am aware  
Must be what you wrote  
What you write, mmm  
You swore that you'd swear  
To remember why you came  
Not to play follow the leader, no no

Poor kids dressin' like they're rich, mods  
Rich kids dressin' like they're poor  
Oh! My god, white kids talkin' like they're black  
I tried it with Charlene and I spent three days on my  
back  
Oh! She said "Baby I like the cut of your J.I.B"  
Oh! Don't believe 'em when they say  
That you don't get nothin' for free  
It's all for, follow me now

There's a campaign of hate  
It's waiting at the school gate  
There's a campaign of hate  
It's waiting at the school gates  
There's a campaign of hate  
It's waiting at the school gates, la la la

There's a campaign of hate  
It's waiting at the school gates, for start  
There's a campaign of hate  
Waiting at the school gate  
There's a campaign of hate  
Waiting at the school gate  
There's a campaign of hate
