Ahh, don't be shy
Don't be shy
For if you are shy for tomorrow
You'll be shy for
One thousand days, yea
Hey, hey, hey, hey

Don't be shy
Don't be shy
Don't let the tide of your soul
Drown your nights
And flood your days
Aey, aey, aey, hey, aey, aey, hey

But still it's better to be shy
Than stinkin' drunken old Queen
That's always got to have his way

But don't be coy with me
I'm too clever to follow you down
To dark and stormy weather
Quietly slidin' out
So what's your pleasure?
Swallow your pride
But please

Don't be shy
Don't be shy
Ahh, shy for tomorrow
You'll be shy for
One thousand days
Aey, aey, hey, hey, hey, aey, hey

Ahh, now's your time to shine
(Lalalala)
Dance with me in your soul
Or you may wake up one day
(La la la la)
In the last chance saloon
(La la la la)
To find your last chance
Has been and gone

Don't be shy
Don't be shy
For if you are shy for tomorrow
You'll be shy for
One thousand days
Aey, hey, hey, aey, hey, hey, hey
Ahh, ahh, aey

Shy
Shy
Shy
