Whoa...oh...oh...oh...oh...oh...ho...

Ooh, yeah, oh, yeah, all night

24-7, baby

All night, yeah, yeah

All day and all night, yeah, yeah

Listen, girl

What a welcome home, rose petals on the floor

I like the way you pulled me through that door, babe

(Yeah)

Cant wait to see everything you have in store

Youre teasin me, got me goin crazy

You can lock the door (Lock the door), throw away the

key (Throw away the key)

Im your hostage, baby (Baby), come and torture me

You put it in neutral, it lets me know youve got

control

I love the way you roll back to slow, dont let it go

All day, all night (24-7, oh, yeah., yeah, yeah...)

24-7, good love

All day, all night (All night)

24-7 (24-7), good love

All day (Yeah), all night (All night)

24-7, good love (Yeah...)

All day, all night

24-7, good love

Girl, now we messed around, saw it up, saw it down

Still on the floor, body and soul, I wanted more

You're flexible, usin' moves, tryin' to break that

Girl, lay back, take this, take that

Im zoomin' in, the target is the G-spot

Anything to keep you wet, anything to keep you hot

Wanna milk the cow, do your thang, work it out (Work
it out)

Let play, Move Your Mouth, now girl, that's what Im
talkin' bout (Ooh...)

All day (Day), all night

24-7, good love (24-7, baby, yeah)

All day, all night (All night)

24-7, good love (Yeah...yeah...girl)

All day, all night (And all night)

24-7, good love (Oh, yeah)

All day, all night (I can't sleep)

24-7, good love

All day (All day and all night, baby), all night (My
spot, hit the G-spot)

24-7, good love (That's what Im giving)

All day (All day and all night), all night

24-7, g
