[Michelle]

Make it a night to remember

[Kelli]

Oooh.....

[Verse 1: Jessica and Kelli]

When you love someone it's natural not demanding  
And that's one thing I'm proud to say I've found in you  
I'm so glad we reached an understanding  
Now I know my heart is safe with you.....hoo ooh

[Kelli]

So my love to you baby I surrender

[Chorus]

Get ready tonight  
Gonna make this a night to remember  
Get ready [Ooh baby tonight]  
Gonna make this a night to remember

[Kevin]

Celebrations in my heart cos we're united  
And there's nothing in this world that could  
come between me and you

[Kevin and Michelle]

We're together and it keeps me so excited  
To think of what the power of love can do [oooohh]

[Kevin]

And I'm filled with a love that's all so tender

[Chorus]

Get ready [Get ready] tonight [Girl]  
Gonna make this a night to remember  
Get ready [Get ready tonight..] tonight  
Gonna make this a night to remember

[Kelli]

Make this a night to remember.....

[Chorus]  
Get ready tonight  
Gonna make this a night to [Remember] remember  
Get ready [Get ready tonight] tonight  
Gonna make this a night to remember

[Kelli and Kevin]  
Let's make a toast to those who've helped  
make this occasion  
They turn their back on love and that's what  
drove you straight to me  
I'll show you all the love that life can be ooohh

[Kelli]  
And each day I live I know I will deliver

[Chorus]  
Get ready tonight  
[This night you won't forget]  
Gonna make this a night to remember  
[Make this a night to remember]  
Get ready tonight  
[You love I won't forget]  
Gonna make this a night to remember [Gonna make  
this, we're gonna make this]  
Get ready [Baby] tonight [darling]  
Gonna make this a night to remember [Yeahhhh]
