"Feel The Rush"

Oh yeah
Ooh yeah
Come on
Oh yeah

Your eyes have let me know
Telling me that I move you so
And you can't hide what your feeling
So drop your thin disguise
Baby you gotta realise
It's time that you start believing

So don't pretend there's nothing going on
You got to give it up toni-i-i-ght

Tell me I got you hypnotised
Tell me that we are synchronised
And you can't get enough
Tell me you feel the rush
Tell me you feel the energy
You and I got this chemistry
You can't get enough
Tell me you feel the rush

Why must you always be
Playing those little games with me
We both know I don't deserve it (Oh no I don't deserve
it)
We both made the same mistake
Thinking of you without the take
Baby now the table is turning

Now it's time to stop playing with my heart
You got to give it up toni-i-i-ght

Tell me I got you hypnotised
Tell me that we are synchronised
And you can't get enough
Tell me you feel the rush
Tell me you feel the energy
You and I got this chemistry
You can't get enough

Tell me you feel the rush

Tell me I got
Tell me I got you hypnotised
Tell me that we
Tell me that we are synchronised
Tell me I got
Tell me I got you hypnotised
Tell me that we
Tell me that we are synchronised

So don't pretend there's nothing going on
You got to give it up toni-i-i-ght

Tell me I got you hypnotised
Na na na na na na na na na na
Tell me you feel the energy
I I I I I I I
Tell me you feel the rush

Tell me I got you hypnotised
Tell me that we are synchronised
And you can't get enough
Tell me you feel the rush
Tell me you feel the energy
You and I got this chemistry
You can't get enough
Tell me you feel the rush

Tell me I got you hypnotised
Tell me that we are synchronised
And you can't get enough
Tell me you feel the rush (Tell me you feel the rush)
Tell me you feel the energy
You and I got this chemistry
You can't get enough
