She's fresh, fresh

Conversation is going 'round
People talkin' 'bout the girl who's come to town
Lovely lady
Pretty as can be
No one knows her name
She's just a mystery

I have seen him maybe once or twice
One thing I can say ooh
He's very nice

She's a lady
One I really want to know
Somehow I've got to let my feelings show

She's fresh
Fresh - exciting
You're so exciting to me
He's fresh, fresh
Fresh - exciting
He's so inviting to me yeah

I've been thinking 'bout the way you walk
Baby uh
I like the way you talk

Tell you something I really can't hide
Heaven must have sent you to be by my side

Fresh and lovely like a dream come true
I'll give anything to spend the night with you

What a feeling and I can't stop it babe
Miss Frisky Lady, ooh take me away

She's fresh

Fresh - exciting (exciting)
You're so exciting to me
yeah
He's fresh
Fresh - exciting
He's so inviting to me
Yeah

Fresh as a summer breeze
(A summer breeze)
Take you by surprise
She means so much to me
I'll do whatever to make you mine baby

She's fresh, she's so fresh
