ohhh oh oh hoh oh  
yeah yeah yeah (kelli)  
L to the I to the B to the E to the R to the T-Y(x 2)

chorus  
(girls)  
I ain't mad at you baby  
(boys)  
Yeah, but why the wait  
(girls)  
I'm just telling you maybe  
(boys)  
Oh so why the wait  
(girls)  
I ain't mad at you baby,  
I'm thinkin' it over

(Kelli)  
There's this guy that's on my mind  
He tells me I'm the one and calls me all the time  
Should I see him do you think he's right  
Coz he's the one whose caught my eye

(Jessica)  
I tell you girl I've heard this all before  
He ain't the kind of guy that you've been searchin' for  
(Michelle)  
Look around you there is so much more  
Coz he's the one you should ignore

(kevin)  
Baby let me tell you how I feel  
I know you've heard a lot of things, but I'm for real  
I realise I got myself to blame  
Forget my past I'm not the same  
So why the wait....

chorus

L to the I to the B to the E to the R to the T-Y(x2)

(kevin)

It's been a while since I felt so sure  
Played around but I want something more  
Not gonna pressure you to let me know  
But give the chance to prove you wrong

(girls)

Honey I am feeling so confused  
Don't wanna play a game I know I'm gonna lose  
I need some time so I can think things through  
But not tonight, not with you

So why the wait

chorus

(boys)

I can't stand the wait

(girls)

I ain't mad, no

(boys)

I cant stand the wait

(girls)

I ain't mad no

(boys)

I can't stand the wait

(girls)

I'm thinkin' it over ( to fade)
