Where we are is
I don't know you
I don't know me too
Around June
Spare the artist time alone to write a lonely tune
Around June

Love and I can love you, love me too
Around June
I don't know if I get ornery being lonely
But I'm hardly even holding true, yeah

We are alone
We can light the loudest alone
We can write alone
We are fine as lonely looks
So be with me in leaving me alone

Undecided holy writing
Hope is all I do
Around June
Loaded I can go and bite it
Slow incising doom
Around June

Loathe and I can loathe you, loathe me too
Around June
Hold me tight and I will choke you, choke me too, yeah

We are all alone
We can light the loudest alone
We can write alone
We are fine as lonely looks
So be with me in leaving me alone

This drawing of mine
It's all I'm worth and one of a kind
In one more minute, it will be done
And I can frame it and hang it
And say that this is the life I want
