Hesitated, belated on you  
Understated the latest of two  
Acerbate irritation on you  
Lascerated the greatest of two

I don't fake it  
I don't take it  
And I'll make it, too

I'd rather die, but I just gotta get by  
It's all I do  
And I'm sick of waiting, too

I'd rather die, but I just gotta get by  
You know I'm holding on cause I don't  
Want to be wrong  
It's all I do  
And I'm sick of waiting, too

I'd rather die, but I just gotta get by  
You know I'm holding on I don't  
Want to be wrong in all I do  
And I'm sick of waiting  
Overrated, underpaid and true
