Hold your karma's hand  
And bathe in white  
And scrape my lungs  
Of it's tar and grime  
I kill my body  
And feed my mind  
I'm in control  
Incognito  
It's time again  
Is it time yet?

Hold my head  
To my head  
Through my head  
Hold my head  
To my head  
Chew my head  
Though I feel like I don't give a shit  
I know I'm not alone yet  
Yet

Who's eyes are these?  
They can't be mine  
They can not blink  
And take my life  
But I can see whatever I want  
I'm in control  
Incognito  
It's time again  
Is it time yet?

Hold my head  
Through my head  
Chew my head

Though I feel like I don't give a shit  
I know I'm not alone yet  
So go ahead and give me death  
You know I'm not afraid yet

I will lead and learn  
I have raised a fern

I will heed and I will warn  
I'll be primitive cordially  
And I will fit  
Throw a fit  
Put it in  
I'm the size  
I'm the guy  
I'm the one  
Fuel my angst  
My desire
