How's the neighbor boy?  
Did you give his toys back to him?  
Tell him to enjoy  
Who'll the girls annoy after this?

Mama loves you  
We all love you  
And we'll fix you soon

But if I were here  
Just another year  
It'd bring another tear  
So you can't hold on  
Cause I'm gonna be gone  
But I love you

I know it's so bizarre  
And it's probably hard to admit  
But I won't be far after all

Well leaving  
Ain't easy  
Been grieving  
So long

Mama loves you  
We all love you  
And we'll fix you soon

One day we'll all be gone  
But the world keeps moving around  
The one thing that ever lasts  
Is a love that isn't bound by death

Mama loves you  
We all love you  
And we'll be there soon

So don't be sad  
And don't be mad  
The pain is half the reason that I love you

That I love you, and you love me too.
