What can save the love in this heart?
Born of spirit, the moon and the stars,
The stars...

Behold the sweetest things in life,
In the palace of our minds,
Oh the sweetest things in life...

He laments, 'the world it grows dim',
But if he has faith, and hope, and love,
They will write the stories for him,
All for him,

And just why can't a dreamer's dreamin',
Amount to anything,
His thoughts are a kingdom of songs he yearns to sing,

Taste the sweetest things in life,
In the palette of our minds,
Oh the sweetest things in life,
Will give you peace as long as you're with me.

Have you ever risked it all for love?
Put your head out on the chopping block?
A wounded heart beats brighter still,
I once was just words strung out on you,
Now I'm song swimming in your kiss,

Oh the sweetest things in life,
In the palace of our minds,
Oh the sweetest things in life,
Will gently eke out a smile,
You're my sweetest thing in life,
You're my sweetest thing in life,

You'll give me peace as long as you're with me.
