Liking you and loving you  
Is something that I wanna do  
But I'm afraid if I told you  
You'd turn your back and say shame on you.  
So I'd rather hide my feelings  
Because I wanna be with you,  
And I'd rather hide my feelings than say I love you.

I know you, you like me too  
But as a friend until the end  
I see you flirt and that really hurts  
Coz I'm so sure she'll hurt you too  
So I'd rather hide my feelings  
Because I wanna be with you,  
And I'd rather hide my feelings than say I love you.

I'm so in love with you  
I can't do anything about it  
I feel so bad about it.

So I'd rather hide my feelings  
Because I wanna be with you,  
And I'd rather hide my feelings  
And I'd rather hide my feelings  
And I'd rather hide my feelings than say I love you.
