Wake up in the morning and I feel so dead,
Rub my eyes and focus to straighten my head.
Turn on the lights, get dressed for school,
Same old game like running laps in a pool.

Turn on my lamp and to school I go,
Time goes by, energy dies, I feel so low.
Head back home, toss my bag outa sight,
Head to my room and I see that glowing light.

YeaaaaAAA!

The motion, the flow,
That sweet orange glow!
Like a gift from above!
Ohhh ohhh ohhh! lava lamp love!

Body enlightened, energy returned,
Watch that lamp, forget what I learned.
Just remember the simple things, take life slow,
Just relax, sit back, and enjoy the show-ow-ow!

The motion, the flow,
That sweet orange glow!
Like a gift from above!
Ohhh ohhh ohhh! lava lamp love!

The motion... the flow...
That sweet orange glow...
Like a gift from above...
Ohh... Ohh... ohh... Lava lamp love...
