(spoken) Hang out dick
I'm dieing
I'M trying
I'm crying 'cause i aint got nothing so
Dont bother trying to stop me
I'm drowning in my own self pity so
Stop preaching 'bout livin for a brighter day
You know as well as i do Praying never stopped the rain
I'ts still rainin on me
Im drownin
I'm drownin 'cause i aint got nothin so
Dont bother tryin to stop me
Im drownin in my own self pity so
Dont bother wiping these tears away
'Cause at the end of the rainbow it still rains
It still rains on me
I'm drowning
I'm drowning 'cause i aint go nothin so
Dont bother trying to stop me
Im drownin in my own self pity so
Dont bother wiping my tears away
'Cause at the end of the rainbow it still rains
Its still rainin on me
The hand on the clock keep pointing at me
The remote control has a mind of its own

I forgotten how long it has been
This razor blade feels closer then my own skin
Wont someone wipe these tears away
It dont matter cause nothing can stop the rain
It still rains on me
I'm drownin
I'm drowning cause i aint got nothin so
Dont bother tryin to stop me
Im drowning in my own self pity so
Dont bother wiping my tears away
Cause at the end of the rainbow it still rains
Its still raining on me
Im Drowning
Im drowning cause i aint got nothing so
Dont bother trying to stop me
Im drowning in my own self pity so

Dont bother wiping my tears away
Cause at the end of the rainbow it still rains
