Used memories are blasphemy  
Used memories are blasphemy  
Vulgar show offensively

Hemophiliac in me  
Hemophiliac in me  
Sacred blessings, blessed me  
Sacred blessings, blessed me

Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me

Shallow persons hollow you  
Shallow persons hollow you  
Here my heart is pumping glue  
Here my heart is pumping glue

I'm running away, away from you  
I'm running away, away from you  
I'm running away, away from you  
I'm running away, away from you

Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me

Smoke tracks in my fingers  
So ease the speed back  
Smoke tracks in my fingers  
So ease the speed back

Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me  
Hemophiliac in me
