Lend me your ears
And i reveal all my fears
Eyes open wide but tell me, i'm alive?
Cold stain glass faces watching me breathe patiently
Don't close the coffin, don't turn your back on me

Here I am, Here I Stay,
Remember Me

Here I am, Here I Stay,
Remember Me

Memories come and memories go
Where dreams of live gone rotten, told me so
Do you have what it takes to face the day
Empty your pockets of life and waste away

Here I am, Here I Stay,
Remember Me

Here I am, Here I Stay,
Remember Me

Do you have what it takes to face the day
Empty your pockets of life and waste away

Leave it all behind and close your eyes
Take the hit together and wave goodbye (???)

Smile your last smile for me
Cry your last cry for me

Do you have what it takes to make a mistake
Swallow your pride before it gets too late

Here I am, Here I Stay,
Remember Me

Here I am, Here I Stay,
Remember Me
