In the stillness of the night  
My eyes are closed  
My mouth is wide  
And I couldn't see her face  
Her beautiful hair  
And I couldn't recognize

She looks at me cold  
She probably don't know  
Who I am, mommy it's me  
It's Keith, you had me back when

But sometimes I like to pretend  
And that she  
But sometimes I like to pretend  
And that she  
But sometimes I like to pretend  
And that she  
But sometimes I like to pretend  
And that she holds me

And I guess I can't  
'Cause show doesn't know who I am  
My mind, it's dreaming  
God, it's so, it's so misleading, yeah  
And do you think it's 'cause I've grown old?  
And is it true what I was told, you cried to leave me?

You know I know, it's not your fault  
You had a husband, now who was selfish and cold  
Believe me I know  
Believe me I know

Now I hear you used to treat me cold  
You disappeared and left me all alone  
I'm sure you didn't know right from wrong  
'Cause both of you were always getting

Were always getting  
Were always getting stoned  
Were always getting stoned  
Were always getting stoned

Always, were always getting stoned  
Were always getting stoned  
Were always getting stoned  
Were always getting stoned

Were always getting stoned  
Were always getting stoned  
Were always getting stoned  
Always, were always getting stoned  
Were always getting stoned
