If you don't walk with me, I will walk alone
Yeah yeah, if you don't walk with me

Hard enough to believe in myself when I know they
don't believe in me
Unwilling to change for society I'll be who I wanna be
I wanna tear it up, tear it out get my aggression out
This is what we're here for, control the dance floor
This is why we're here, yeah, this is why we're here

So when will it end, when will it end
When will they comprehend, comprehend
That we will overcome this system
I said this is why we're here

They keep on kicking me down, kicking me down
Tryin' to keep me underground, underground
But did I mention we were paving the way for the new
breed of bad seed
We'll never let up until we hear every voice scream

Screamin' these words, screamin' these words
Till every voice is heard, voice is heard
They keep on screamin' these words, screamin' these
words
Till every voice is heard, calling from the underground

I can feel it in the air I breathe, I can see we all agree
Unwilling to change for society we'll be who we wanna
be
We are the underground, we are the underground,
yeah yeah

They keep on kicking me down, kicking me down
Tryin' to keep me underground, underground
But did I mention we were paving the way for the new
breed of bad seed
We'll never let up until we hear every voice scream

Screamin' these words, screamin' these words
Till every voice is heard, voice is heard
They keep on screamin' these words, screamin' these

words

Till every voice is heard, calling from the underground
