I don't know why  
But when I look in your eyes  
I feel something that seems so right  
You've got yours I've got mine  
I think I'm loosing my mind  
Cause I shouldn't feel this way

Catch me I'm falling for you  
And I don't know what to do

How can something so wrong  
Feel so right all along  
Catch me I'm falling for you  
How can time be so wrong  
For love to come along  
Catch me I'm falling for you

How can love let it grow  
When it has no place to go  
And I can't go along pretending  
That love is in here to stay  
Catch me I'm falling for you

If I could just walk away  
Without you from day to day  
I would die just thinkin' of you  
I know we can never be  
More than friends you and me  
But why do I feel this way?

Catch I'm fallin' for you  
And I don't know what to do

How can something so wrong  
Feel so right all along  
Catch me I'm falling for you  
How can time be so wrong  
For love to come along  
Catch me I'm falling for you

Maybe someday I'll see  
Why love did this to me

Coz I can't go along pretending  
That love is in here to stay  
Catch me I'm falling for you  
Catch me I'm falling for you

And it's wrong for me  
To feel this way  
Coz I don't know what to  
Do without you  
I'm falling for you  
Catch me I'm falling for you

How can something so wrong  
Feel so right all along  
Catch me I'm falling for you
