Overthrow get below overthrow
Overthrow friend or foe overthrow
This is the time this is the place
Get inside your tank
You're a tank
You're in the game
You're in the race
Get inside your tank
You're a tank
Go go go go go go gooo
Mow 'em all over
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank
I'm a tank

I'm a tank
Overthrow get below overthrow
This is the time
This is the place
Get inside your tank
You're a tank
You're in the game
You're in the race
Get inside your tank
You're a tank
No time to analyze
Not time for lullabies
This time no compromise
This time they'll pay the price
Is this the world that we have made?
