Silence is golden  
But I think it's gonna kill me now  
Everything I've seen  
Never seems to fail me now  
No one told me that the world could fall through, yeah

In between this am I gonna find a way  
To defeat this living inside yesterday  
Well, I'm alive, I think it's time to live  
Like I am

Well, am I ever gonna find it  
Well, am I ever gonna find it  
Well, am I ever gonna find out

Patience can wait for now  
And I think I've waited for too long  
You always gave a choice  
Well, I know right to be wrong  
All my life has been slipping through your hands, yeah

Well, in between this am I gonna find a way  
To defeat this living inside yesterday  
Well, I'm alive I think it's time to live  
Like I am

Am I ever gonna find it  
Well, am I ever gonna find it  
Well, am I ever gonna find out

Well, in between this am I gonna find a way  
To defeat this living inside yesterday  
Well, I'm alive I think it's time to live  
Like I am

Am I ever gonna find it  
Well, am I ever gonna find it  
Well, am I ever gonna find out
