silence is golden
but I think it's gonna kill me now
everything I've seen
never seems to feel me now
no one told me that the world could fall through yeah

in between this am I gonna find a way
to defeat this living inside yesterday
I'm alive I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out

patience can wait for now
I think I've waited for too long
you always gave a choice
well I know right to be wrong
all my life has been slipping through your hands yeah

in between this am I gonna find a way
to defeat this living inside yesterday
I'm alive I think it's time to live

like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out

in between this am I gonna find a way
to defeat this living inside yesterday
I'm alive I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out

I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out
