silence is golden
but I think it's gonna kill me now
everything I've seen
never seems to fill me now
no one told me that the world could fall through
yeah
in between this
am I gonna find a way
to defeat this
living inside yesterday
I'm alive I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out
patience can wait for now
I think I've waited for too long
you always gave a choice
and the right to be wrong
all my life has been slipping through your hands
yeah
in between this
am I gonna find a way
to defeat this
living inside yesterday
I'm alive I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out
in between this
am I gonna find a way
to defeat this
living inside yesterday
I'm alive I think it's time to live
like I am
am I ever gonna find it
am I ever gonna find it
am I ever gonna find out
