I stand with a blank expression now
and I can't believe myself
would someone tell me
how did I get here
I am walking
changing slowly
I am chasing
climbing closer
I know that I'll never be alone
you will never let me go
you are my anchor
hold my hand
while I'm sinking in the sand
no one else could understand
you are my anchor
it seems that I lost track of time
and I can't believe my mind
would you save me
if I reached out to you
I'm waiting
watching, standing
I'm reaching
climbing closer
I know that I'll never be alone

you will never let me go
you are my anchor
hold my hand while I'm sinking in the sand
no one else could understand
you are my anchor yeah
anchor yeah
anchor oh yeah
I am walking
changing slowly
I am chasing
climbing closer
I know that I'll never be alone
you will never let me go
you are my anchor
hold my hand while I'm sinking in the sand
no one else could understand
you are my anchor! yeah

anchor yeah
anchor yeah
can you hear me
hear me
can you hear me
