The broken clock is a comfort
It helps me sleep tonight
Maybe it can start tomorrow
From stealing all my time

And I am here still waiting
Though I still have my doubts
I am damaged at best
Like you've already figured out

I'm falling apart
I'm barley breathing
With a broken heart
That's still beating

In the pain
There is healing
In your name
I find meaning

So I'm holding on
I'm holding on
I'm holding on
I'm barely holding on to you

The broken locks were a warning
You got inside my head
I tried my best to be guarded
I'm an open book instead

And I still see your reflection
Inside of my eyes
That are looking for purpose
They're still looking for life

I'm falling apart
I'm barely breathing
With a broken heart
That's still beating

In the pain
(In the pain)

Is there healing?
In your name
(In your name)
I find meaning
So I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm barely holding on to you

I'm hanging on another day
Just to see what you will throw my way
And I'm hanging on to the words you say
You said that I will be okay

Broken lights on the freeway
Left me here alone
I may have lost my way now
I haven't forgotten my way home

I'm falling apart
I'm barely breathing
With a broken heart
That's still beating

In the pain
(In the pain)
There is healing
In your name
(In your name)
I find meaning

So I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm barely holding on to you

I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm holding on
(I'm still holding)
I'm barely holding on to you
