"Disarray"

I've faced my demons
Wrestling these angels to the ground
And all that I could find
Was a thin line between
All the saints and villains
It was crossed in my own minds

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

Struggling between the facts and fiction
I'm alone
But I'm alive
Everyone around me is trying to make a statement,
then there's me
I'm just trying to survive

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning

Don't know where I'm going
But it's alright
I wouldn't have it any other way
If this was any other day
I pretend to know where I stand
I just don't know (just don't know)
I just don't know

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

Someday I will find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
