Find me here
And speak to me
I want to feel You
I need to hear You
You are the light
That's leading me to the place
Where I find peace again

You are the strength
That keeps me walking
You are the hope
That keeps me trusting
You are the light to my soul
You are my purpose
You're everything

And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better than this

You calm the storms
And You give me rest
You hold me in your hands
You won't let me fall
You steal my heart
When You take my breath away
Would You take me in take me deeper now

And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better than this

And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better than this

Cause You're all I want
You're all I need
You're everything, everything

You're all I want
You're all I need
You're everything, everything
You're all I want
You're all I need
You're everything, everything
You're all I want
You're all I need
Everything, everything

And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better than this
And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better any better than this
And how can I stand here with You
And not be moved by You
Would You tell me how could it be
Any better than this
Would You tell me how could it be
Any better than this
