Desperate for changing  
Starving for truth  
Closer to where I started,  
I? chasing after you?

I'm fallin even more in love with you  
Letting go of all I'e held onto  
I? standing here until you make me move  
I? hangin'by a moment here with you

Forgetting all I? lacking  
Completely and complete  
I'll take your invitation  
You take all of me

Now I? fallin even more in love with you  
Letting go of all I'e held onto  
I? standing here until you make me move  
I? hangin'by a moment here with you  
I? living for the only thing I know  
I? running and I crash  
Oh where to go?  
And I don? know what I? diving into  
Just hangin'by a moment here with you

There? nothing else to lose  
There? nothing else to find  
There? nothing in the world

That could change my mind  
There is nothing'lse  
There is nothing'lse  
There is nothing else

Desperate for changing  
Starving for truth  
Closer to where I started,  
I? chasing after you?

I? fallin even more in love with you  
Letting go of all I'e held onto  
I? standing here until you make me move

I? hangin'by a moment here with you  
I? living for the only thing I know  
I? running and I crash  
Oh where to go?  
And I don? know what I? diving into  
Just hangin'by a moment here with you

Just hanging by a moment  
Hanging by a moment  
Hanging by a moment  
Waiting by a moment here with you?
