Desperate for changing
Starving for truth
I'm closer to where I started
I'm chasing after you

I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

Forgetting all I'm lacking
Completely and complete
I'll take your invitation
You take all of me

Now I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move
I'm hanging by a moment here with you

I'm living for the only thing I know
I'm running and not quite sure where to go
And I don't know what I'm diving into
Just hanging by a moment here with you

There's nothing else to lose
There's nothing else to find
There's nothing in the world
That could change my mind

There is nothing else
There is nothing else
There is nothing else

Desperate for changing
Starving for truth
I'm closer to where I started
I'm chasing after you

I'm falling even more in love with you
Letting go of all I've held onto
I'm standing here until you make me move

I'm hanging by a moment here with you

I'm living for the only thing I know
I'm running and not quite sure where to go
And I don't know what I'm diving into
Just hanging by a moment here with you

Just hanging by a moment
Hanging by a moment
Hanging by a moment
Waiting by a moment here with you
