We're both looking for something
We've been afraid to find
It's easier to be broken
It's easier to hide
Looking at you, holding my breath
For once in my life I'm scared to death
I'm taking a chance letting you inside
I'm feeling alive all over again
As deep as a scar under my skin
Like being in love, she said, for the first time
Maybe I'm wrong, I'm feeling right
Whenever I'm alone with you tonight
Like being in love with you for the first time
The world that I see inside you
Waiting to come to life
Waking me up to change it
Reality in your eyes
Looking at you, holding my breath
For once in my life I'm scared to death
I'm taking a chance: letting you inside
I'm feeling alive all over again

As deep as a scar under my skin
Like being in love, she said, for the first time
Maybe I'm wrong, I'm feeling right
Whenever I'm alone with you tonight
Like being in love with you for the first time
We're crashing
Into the unknown
We're lost in this
But it feels like home
I'm feeling alive all over again
As deep as the scar that's under my skin
Like being in love, she said, for the first time
Maybe I'm wrong, I'm feeling right
Whenever I'm alone with you tonight
Like being in love with you for the first time
Like being in love she said for the first time
Like being in love with you the first time
