seems my own arrogance has knocked me off my feet
again
when you know I'm crawling to you as fast as I can
first teach me to walk and then I'll learn to dance for
you like an
honest clumsy clown
tripping along the way

cause I'm reaching for you
but my arms aren't long enough
and I'm running to you
if I could go a little faster
and I'm crying to you
but I can't hear my own voice
and I am waiting for you
and trying not to fall asleep now

cause I'm clumsily dancing away this fear
I'm stumbling closer to you and I am
tumbling over my pride
I will be a fool for you

what are you thinking as you look down on me are you
frustrated with my inconsistency
or intrigued that I can find the will to get back up or
maybe all of this is simply amusing

cause I'm reaching for you

but my arms aren't long enough
and I'm running to you
if I could go a little faster
and I'm crying to you
but I can't hear my own voice
I am waiting for you
and trying not to fall asleep now

cause I'm clumsily dancing away this fear
I'm stumbling closer to you and I'm
tumbling over my pride
I will be a fool for you
cause I'm clumsily dancing away this fear

I'm stumbling closer to you and I'm
tumbling over my pride
I will be a fool

and I'm clumsily dancing away this fear
I'm stumbling closer to you and I'm
tumbling over my pride
I will be a fool for you
