Oh Georgianna,
Don't know how you still can,
Before it's over,
He'll sell the ring right off your hand.

You must not get it cause
You pay for all his bills.
And when he's done you'll be the one left with the life
he's killed.

For Georgianna,
You know how there's still time.
He's gonna hurt you,
Cos his PHD's out of his mind.

Maybe the third time is a charm
I doubt that it will be
You can change your name but you can't change the
person that you see.

For Georgianna
The fun that all he's had
Why cant you see that he's old enough to be your dad.

And nothing's gonna change,
Nothing's gonna change,
Nothing's gonna change the way he feels about you for
years from now.

For Georgianna,
Don't know how you still can.
Before it's over,
He'll sell the ring right off your hand.

Oh Georgianna
Why are you standing there alone?
You had his baby
And now you're raising him alone.
