It is not called Grace it is called UNKNOWN! GET IT  
RIGHT THE FIRST TIME AROUND!! thank you.

This doubt is screaming in my face  
This familiar place sheltered and concealed  
and if this night won't let me rest  
don't let me second guess  
what I know to be real  
put away all I know for tonight  
and maybe I just might learn to let it go  
take my security for me  
maybe finally I won't have to know everything

I am falling into grace to the unknown  
to where you are and faith  
makes everybody scared  
it's the unknown the don't know  
that keeps me hanging on to you

I got nothing left to defend  
I cannot pretend that everything makes sense  
but does it really matter now  
if I do not know how  
to figure this thing out

I am falling into grace to the unknown  
to where you are and faith  
makes everybody scared  
it's the unknown the don't know  
that keeps me hanging on to you

I am against myself again  
trying to fit these pieces in  
walking on a cloud of dust to get to you

I am falling into grace to the unknown  
to where you are and faith  
makes everybody scared  
it's the unknown the don't know  
that keeps me hanging on to you
