Desperate for changing  
Starving for truth  
Closer to where i Started  
Chasing after you

I'm falling even more in love with you  
letting go of all i've held on to  
I'm standing here until you make me move  
I'm hanging by a moment here with you

Forgetting all i'm lacking  
completely and complete  
I'll take your invitation  
you take all of me

now.. i'm falling even more in love with you  
letting go of all i've held onto  
I'm standing here until you make me move  
I'm hanging by a moment here with you

I'm livin for the only thing i know  
I'm running and I'm crashing  
where to go?  
and down i know i'd like to be in tune  
Just hanging by a moment here with you

There's nothing else to lose  
nothing else to find  
There is nothing in the world that can change my mind  
There is nothing else  
there is nothing else..

Desperate for changing  
Starving for truth  
Closer to where i Started  
Chasing after you

I'm falling even more in love with you  
Letting go of all i've held onto  
I'm standing here until you make me move  
I'm hanging by a moment here with you

I'm livin for the only thing i know  
I'm running and I'm crashing  
where to go?  
and down i know i'd like to be in tune  
just hanging by a moment here with you

just hanging by a moment  
hanging by a moment..  
hanging by a moment..  
hanging by a moment here with you
