Desperate for changing.
Starving for truth.
I'm closer to where i started,
Chasing after you,

I'm falling even more in love with you I'm letting go of
all i've held on to I'm standing here until you make me
move,
I'm hanging by a moment here with you.

Forgetting all i'm lacking.
Completely incomplete.
I'll take your invitation.
You take all of me.

Chorus:
I'm falling even more in love with you. I'm letting go of
all i've held on to. I'm standing here until you make
move. I'm hanging by a moment here with you. I'm
living for the only thing i know. I'm running and not
quite sure where to go.
And i don't know what i'm diving into, just hanging by a
moment here with you.

There's nothing else to lose.
There's nothing else to find.
There's nothing in the world,
That can change my mind.
There is nothing else.
There is nothing else.
There is nothing else.

Desperate for changing,
Starving for truth.
I'm closer to where i started
Chasing after you.

Chorus again.

I'm hanging by a moment (here with you)
I'm hanging by a moment (here with you)

I'm hanging by a moment here with you
