To see you when I wake up  
Is a gift I didn't think could be real.  
To know that you feel the same as I do  
is a three-fold, utopian dream.

You do something to me that I can't explain.  
so would I be out of line if I said,  
I miss you

I see your picture,  
I smell your skin on the empty pillow, next to mine.

You have only been gone ten days,  
but already I'm wasting away.

I know I'll see you again  
whether far or soon.  
But I need you to know that I care.  
and, I miss You.
