What day is it? And in what month?  
This clock never seemed so alive  
I can't keep up and I can't back down  
I've been losing so much time

Cause it's you and me and all of the people with  
nothing to do  
Nothing to lose  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of you

All of the things that I want to say just aren't coming out  
right  
I'm tripping on words  
You've got my head spinning  
I don't know where to go from here

Cause it's you and me and all of the people with  
nothing to do  
Nothing to prove  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of you

There's something about you now  
I can't quite figure out  
Everything she does is beautiful  
Everything she does is right

Cause it's you and me and all of the people with  
nothing to do  
Nothing to lose  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of you  
And me and all of the people with nothing to do  
Nothing to prove  
And it's you and me and all of the people  
And I don't know why, I can't keep my eyes off of you

What day is it?  
And in what month?  
This clock never seemed so alive
