## "Out Of Breath"

I still feel the same  
Though everything has changed  
The pain it cost now  
I feel lost inside of my own name

But I keep burning  
I am burning  
I keep living for the day that I'm with you  
That I'm with you

The past has left it's stain  
Now I feel the shame  
I'll seize the day  
If you take away  
The chains of yesterday

But I keep running  
I am running  
I keep living for the day that I'm with you  
And I am waiting  
I am waiting  
I keep waiting for the day that I'm with you

A new day  
The sun is shining  
Seems I'm closer to finding  
That life is more than where we are  
No way that I am turning  
As long as the sun is burning  
Now it seems that all I want is you

I still feel the same  
Though everything has changed  
The pain it cost now  
I feel lost inside of my own name

But I keep running  
I am running  
I keep living for the day that I'm with you  
An I am waiting  
I am waiting  
I keep waiting for the day that I'm with you

That I'm with you
