I watch as the daylight crawls
Past the shadows hanging on the walls
It's been a long time since I felt the stains
Of yesterday, getting in my way

Well, I'm alive but tell me, am I free?
I've got eyes but tell me, can I see?
The sky is falling and no one knows

We shouldn't be hard to believe
Shouldn't be this difficult to breathe
The sky is falling and no one knows

You leave me hanging on, I need to catch my breath
I've got you and I've got nothing left
Don't leave me all alone down here
With myself and all of my fear

'Cause I'm alive but tell me, am I free?
I've got eyes but tell me, can I see?
The sky is falling and no one knows

We shouldn't be hard to believe
Shouldn't be this difficult to breathe
The sky is falling and no one knows

No, no one knows
No one knows
No one knows

Well, I'm alive but tell me, am I free?
I've got eyes but tell me, can I see?
The sky is falling and no one knows

We shouldn't be hard to believe
Shouldn't be this difficult to breath
The sky is falling and no one knows
